

PIMS Mathtube.org Media Permission Form

Video: PIMS requests your permission to videotape your lecture for inclusion on www.mathtube.org. This is an online resource maintained by PIMS.

Photos: PIMS requests your permission to use photos taken of your lecture for reproduction on mathtube.org and in promotional materials including print and electronic.

Slides: If applicable, PIMS requests an electronic copy of the slides used in your lecture (e.g. .pdf, PowerPoint). The slides will accompany your lecture video on mathtube.org. Please email slides to mathtube@pims.math.ca within a month of your lecture.

Notes: If applicable, PIMS requests an electronic copy of any lecture notes you have. (.pdf format preferred) These notes will accompany your video on mathtube.org. Please email notes to mathtube@pims.math.ca within a month of your lecture.

Except where explicitly noted, the works on mathtube.org are licensed under a Creative Commons License. All due credit will be given to speakers, see www.mathtube.org for more information and 'take down' policies.

Please keep a copy of this for your records and send/ email the original to:
PIMS Program Coordinator (Ruth Situma, ruths@pims.math.ca)
